

## West Allis Veterinary Clinic 11504 West Greenfield Avenue West Allis, WI 53214

414-453-4344

www.westallisvetclinic.com

Welcome to West Allis Veterinary Clinic. We are a caring staff that provides complete medical and surgical care at affordable prices. Wellness of your loved pet is our first priority. We offer a wide variety of services for your pet. These include preventative vaccinations, heartworm testing and medications, radiology, electrocardiography, inhouse blood testing and intestinal parasite examinations.

Whether your pet requires elective or complicated surgery, our veterinarians are trained in state of the art surgical techniques. We are pleased to offer laser surgery—an option for safe, comfortable treatment. In many procedures, the laser can provide a better alternative to traditional surgical techniques.

We offer a full service boarding facility for your dog or cat. We provide regular and medicated baths. A professional groomer is available for your four-legged companion. We do not rest until your pets are well. Our motto is "Quality pet care at affordable prices." We hope that you had a positive experience with our staff and doctors on your first visit. We would be honored to have you continue your pet care needs with our clinic. Thank you for your trust in us.

Our regular office hours are Monday through Friday 8:00 a.m.-6:00 p.m. and Saturday 9:00 a.m.-1:00 p.m. Please feel free to give us a call with any questions that you may have and to schedule your next appointment.
